Dear Mrs. Browning,

herewith we confirm that it is possible to use the "3M Scotchlite Diamond Grade Fluorescent LDP Work Zone Sheeting 3924" tape for marking the data protection capsules HVR-xx-xxx-xx and SVR-xx-xxx-xx instead of painting them with a highly visible fluorescent orange colour. The tape is equivalent to the paint and fulfils the requirement of IEC61996 and IEC60945.

Best regards

By order

A handwritten signature in blue ink, appearing to be 'T. J. C.', is written over the 'By order' text.
